### **Community Stakeholders Celebrate Milestones**

The Community of St. Albans has a lot to celebrate! Over the next year we will be celebrating the 125th Anniversary of Head's Store, the 100th Anniversary of the construction of The Studio, the 25th Anniversary of the Country Club of St. Albans and Fulton School. To commemorate these milestones we have planned numerous events starting with a Centennial Ice Cream Social at Head's Store on June 11th.

On July 1st we have organized the "Q Cup" Golf Tournament and Barbeque for residents of St. Albans and members of the Country Club of St. Albans. The Centennial Celebration is a collaborative effort with participation from The Country Club of St. Albans, The Fulton School, The Inns at St. Albans and the residents of St. Albans. Stay tuned to learn more about these and other planned Centennial festivities.
